

SAFETY AND OCCUPATIONAL HEALTH AND FIRE PROTECTION

(When the Supplier does not enter the workplaces or objects of Orange Slovensko, a.s.)

Within the performance of contracted activities, the Supplier shall be obligated to obey and fulfil all the applicable legal and other regulations necessary to ensure Safety and Occupational Health (hereinafter referred to as “**SOH**”) and Fire Protection (hereinafter referred to as “**FP**”) and is responsible for their fulfilment within the performance of contracted activities or during the whole term of the Contract. The Supplier shall be fully responsible for its subcontractors as well.

Orange Slovensko a.s. shall not be held responsible for any injuries or damages caused due to the breach of the relevant legal or other SOH and FP regulations by the Supplier, its employees or employees of its subcontractors.
