

You have just received a prepaid card – Prima Data

Prima Data includes:

- 2 € credit for calls, SMS/MMS, data (free for you) valid for 12 months;
- 10 GB data that you can be using in the Slovak Republic, EU and in the Zone 1 for 30 days;
- 60 minutes of free calls to Ukraine that expire in 12 months;
- Uniform price of calls to all fixed and mobile networks in the Slovak Republic, EU and the Zone 1 = 0.10 €/min.;
- Uniform price of SMS/MMS to all fixed and mobile networks in the Slovak Republic, EU and the Zone 1 = 0.06 €/1 pc;
- Free endless calls to 1 phone number in Orange network for 6 months;
- Free CLIP – you can see the number that is calling you;
- Optional further services to be activated (call, message, data packages).

How to connect with your relatives and friends in Ukraine

From 6 April 2022 you have 60 minutes of free calls to Ukraine. We will inform you by SMS after you have used up 50 minutes of your free calls to Ukraine.

Once you have used up your free minutes, from 6 April 2022 until further notice you can make calls to Ukraine at the following rates*:

Calls to mobile networks in Ukraine	0.25 €/min.
Calls to fixed lines to Ukraine	0.25 €/min.
SMS to Ukraine	0.1406 €/SMS

The card is ready to be used

Now you can use your new SIM card. Insert it into your mobile phone, enter your PIN: 0000 (4 zeros) and make your first call to 444 to activate the card. When you hear the message, press 2 (for English) and then press 2 again. This will activate the card. From now on, you can make and receive calls, send and receive SMS/MMS and connect to the internet using the mobile data. In order to use the mobile data, you need to check your mobile phone settings in the Mobile Data section. The APN must be named "internet".

You can top up your card with further credit and buy more data. Or you can use it only until your credit and data run out. However, even then you can still receive calls, SMS/MMS for up to 1 year after the card activation date.

You can verify the remaining credit and the remaining data by sending an SMS with text "STAV" to 445.

The SIM card is registered to your name. Therefore, do not give it to strangers and in case you no longer need it, please destroy it by cutting it in halves.

I want to use more of this card

If the initial free package is not enough for you and you would like to use the card further, you can top up your credit and then use it to buy other service packages.

You can top up the credit directly at the point of sale that issued the card, or you can buy Prima scratch card at OMV, JET, Slovnaft and Benzinol petrol stations. The scratch cards can also be purchased at retail shops across Slovakia. Look for the Prima sign at the cash desk.

* This is a temporary price offer and Orange Slovensko, a.s. reserves the right to cancel the offer anytime unilaterally as of the date determined by Orange.
